Dear Applicant

Thank you for your interest in the post of *Facilities Assistant* at Riddlesdown Collegiate. I hope that this information pack will help you to learn more about our fantastic school and that you will be excited about the prospect of beginning or developing your career with us.

*Riddlesdown Collegiate* is an **outstanding** school (OFSTED, May 2016) with a clear vision to deliver successful outcomes and positive futures for all of our students. They are bright, well-motivated and a pleasure to work with, whilst our staff are talented, hard-working and ambitious for themselves and others. Our superb facilities enable us to provide the very best learning environment and learning experiences for our students and it is the combination of these factors that leads to the high academic standards and enviable reputation that *The Collegiate Trust* is known for. I am very proud of what we do and what we have achieved at the Collegiate and, as a *World Class School*, I hold the highest aspirations for what we will do and achieve in the future.

This post is within our *Facilities Team* and is intended to support the smooth operation of the Collegiate. This will involve opening and closing the site, overseeing visitors using the site for lettings and undertaking a range of general tasks to maintain the high standards of the site. The successful candidate will work as part of a team, under the direction of the Facilities Manager. The prime purpose of the role is to support the good maintenance and management of our site, providing an exceptional and safe resource for teaching, learning and the wellbeing of our students, staff and visitors. The person specification describes the skills and qualities required, but in short, the successful candidate will need to:

- Be reliable, committed and hard-working
- Be able to communicate effectively with colleagues and visitors, presenting a positive and professional image at all times
- Possess the skills and knowledge required to undertaking caretaking duties effectively
- Take pride in their work and demonstrate an understanding of the importance of high quality facilities management

In applying to *Riddlesdown Collegiate*, you will need to understand our ethos and approach. Our VALUES underpin the way in which we work and describe our high expectations and our emphasis on positive relationships across the Collegiate. Our motto, "*Learners of today, Leaders of tomorrow*", applies as much to staff as it does to students, and it gives an indication of the significance we place on nurturing talent and leadership. I shall make a presentation to shortlisted candidates at the start of the interview day to outline our requirements for all colleagues who work with us.

I would be delighted to receive an application form / CV from you if, upon consideration, you feel that this role may be right for you. If you have any further questions about this post, please contact Steven Sayer, Facilities Manager, at the Collegiate who will be pleased to speak with you.

Yours sincerely

Mr S Dey  
Principal

## Information about *The Collegiate Trust*

Our Trust works in the Crawley and Croydon, teaching children and young people from 3-19 years old and with a clear vision to deliver **exceptional education for all**. Such an education achieves excellent outcomes in pupil progress and attainment, a rich creative, cultural and physical learning experience, and great personal and social development for all pupils. We achieve this by working with and developing strong teams of staff in each school, under the direction of the Principal of the school and the *Local Governing Body* (LGB)

The Trust has grown out of *Riddlesdown Collegiate*, an **outstanding** (OFSTED, May 2016) secondary school in Croydon with almost 2000 students and over 200 staff. *Gossops Green*, in Crawley, was the next school – and the first primary – to join the Trust, followed by *Waterfield Primary* (also in Crawley) on 1<sup>st</sup> March 2018. A second secondary, *The Quest Academy* (in Croydon), joined on 1<sup>st</sup> June 2018 and two further primaries, *Courtwood Primary* and *Gilbert Scott Primary* (both in Croydon) joined on 1<sup>st</sup> September 2018.

Each school within the Trust is supported centrally by a designated *Director of School Improvement* on teaching and learning issues, the *Chief Operating Officer*, *Chief Finance Officer & HR Manager* on business management and HR issues, and the *CEO* on wider leadership issues. This complements rather than replaces in-school functions and allows the Principal and LGB to operate with a high level of autonomy in delivering the highest standards in their school. The LGB works to a *Scheme of Delegation* approved by the Trust's Board of Directors.

## Key Information

We operate a “small schools” model – one school made up of a number of smaller learning communities, which we call Colleges, each with their own staff and facilities. Each College is led by its own Headteacher (who is an Assistant Principal) and has its own team of approximately 25 teachers and non-teachers, covering most curriculum areas. Students join one of the Colleges in Year 7 and remain there for five years before transferring to College VI, our specialist post-16 provision. In addition, the Creative and Performing Arts (CPA) College delivers specialist education to students across the Collegiate in Art, Drama, Design Technology, Media, Music and Physical Education whilst the MacKay College co-ordinates inclusion services to students with additional needs. Small teams, working with just 400 students each, allow us to provide even better pastoral care to all students, as well as engage with learners and their families in more effective partnerships. They also provide teaching across the curriculum and learning teams focusing on personalised approaches and best serving the needs of the individual students in their care.

Riddlesdown Collegiate is part of The Collegiate Trust and is an outstanding academy with:

- A successful “small schools model”
- traditional values and forward-looking approaches
- high standards of achievement at every Key Stage
- a strong commitment to the professional learning of all staff
- a very good reputation with and strong support from parents and the community
- a relentless focus on continuous improvement

## Our Students

The vast majority of our students join the Collegiate in Year 7 with above average attainment. Behaviour is outstanding and our students consistently demonstrate their desire to learn and to achieve. They enjoy coming to school (attendance is over 95%) and enjoy lessons where they can explore, investigate and feel challenged by their learning. They equally value the opportunities they have to learn outside of the classroom and we are proud of the extensive and varied extra-curricular programme that our students enjoy and benefit from. It is these additional, high quality learning experiences, together with a strong set of academic qualifications that we believe provides our students with the very best chances of success in their future lives.

*"I still remember my first lesson. The students were incredibly enthusiastic. They were obviously used to being challenged and they were challenging me. It was just a really nice lesson."*
